CORPUS CHRISTI KEY ASSETS FOR BUSINESS DEVELOPMENT

- **Port of Corpus Christi** and the La Quinta Trade Gateway. The Port offers deepwater port facilities for bulk liquid and dry cargo as well as agricultural products.
- **Foreign Trade Zone 122.** The FTZ was the first in the continental U.S. to have oil refinery subzones and is one of the largest FTZs in the nation, encompassing 24,000 acres.
- **Strategic location** for North and South America as well as the Panama Canal.
- **Low cost of doing business.** Forbes ranked Corpus Christi 46th out of the 200 large metropolitan areas for low costs of doing business. Moody's Economy.com ranked Corpus Christi in best 30% for low costs.
- Highly **skilled workforce** in petrochemicals, heavy fabrication, water transport, aerospace, and marine research.
- **Low workforce costs.** Moody's Economy.com ranked Corpus Christi in the top 20% of metropolitan areas for low workforce costs.
- **International airport** with the adjacent **Corpus Christi International Business Center** which provides 50 acres for aviation-related or dependent businesses. An additional 200 acres are also available. Five airlines provide service to national business centers.
- **Joe Fulton International Trade Corridor** with over 1,000 acres of land for industrial development with deepwater port access along with three Class I railroads.
- **Logistics options.** Three Class I railroads, deepwater port, air transport, and highway. Connections to the nation and world.
- **Ample land** for development. This includes large parcels with significant incentives.
- **Low office rents.** Moody's Economy.com indicates that Corpus Christi has the lowest office rents of any metropolitan area in the nation.
- **Abundant energy resources** including electric, natural gas, and coal/ petcoke.
- **Strong, growing aerospace sector.** Over 4,300 are employed in this sector and growing.
- **Diverse population, workforce and culture.** Multiple ethnicities and proud cultures reflect the global orientation of Corpus Christi.
- **Texas A&M University – Corpus Christi.** Offering Engineering Degrees and a variety of other four year degrees supporting industry.
- **Del Mar College.** Three campuses in Corpus Christi one of which focuses on serving the business community with training and advanced workplace skills education.
- **Harte Research Institute** for Gulf of Mexico Studies. A leading research organization focused on the environmental and related social issues of the Gulf of Mexico.
- **Affordable cost of living.** The median price of an existing home in Corpus Christi is 60% of the national level according to the National Association of REALTORS®.
- **Positive, progressive business climate** backed by a pro-business, "get things done" track-record.
- **Great living environment** with beaches and national seashore; world-class entertainment; professional baseball, arena football and hockey; museums; three performing arts centers; state aquarium; six major hospitals including an internationally recognized children's hospital; music from the symphony to jazz; diverse cuisine; hunting, fishing, boating, and wind-surfing; and semi-tropical weather.

AREA ATTRACTIONS

RETAIL SPACE AVAILABLE IN THE BAY AREA

1112 Morgan Ave | Corpus Christi, TX 78404

PORT OF CORPUS CHRISTI

The Port of Corpus Christi has been in operation since 1926 and has since become the largest port in the United States, based on total revenue tonnage, and the nation's largest energy export gateway. The Port boasts a 54-foot-deep channel, three Class I railroads – BNSF, KCS, and UP – and a location adjacent to connecting Texas highways Interstate 37 and Highway 181. With all these assets at our disposal, our mission is and always will be to leverage commerce to drive prosperity for Corpus Christi and the coastal bend.

Job Creation & Economic Growth

Educational & Workforce Development

Environmental Stewardship & Sustainability

Our Economic Impact

Economic activity continues to grow on a local and national level, bringing in new businesses, more jobs and new partnerships.

Total Economic Activity (2018)

\$0

Tax Revenue Assessed by Port of Corpus Christi*

*The Port of Corpus Christi does not impose taxes—the only Texas Port who doesn't exercise taxing authority. In addition, earnings are reinvested into the community.

Maintaining Our Values in Education and Workforce Development

The Port of Corpus Christi recruits, develops and retains a high-performing, diverse talent while fostering a healthy, safe, environmentally sustainable and productive work culture.

In the Coastal Bend

The Port accounts for **1 in 3 Jobs**

There are over **90,000** Port-Related Jobs

Personal income is estimated at **\$4.5 Billion**

Environmental Stewardship

The Port of Corpus Christi's sustainability programs enable us to continually improve our environmental performance and leadership.

» Did You Know?
The Texas State Aquarium draws water for its exhibits directly from the Corpus Christi Ship Channel.

Environmental Milestones

- » In 2019, the Port of Corpus Christi completed a Port-wide emission inventory and developed a Clean Fleet program by which it will begin converting the remainder of the Port fleet to low-emission vehicles. This will be completed by 2023.
- » 100% of electricity has been purchased from renewable energy sources since 2017.

Corporate Social Responsibility

Giving Back to Our Community

The Port of Corpus Christi volunteers—known as the Port Energy Crew—are passionately committed to community outreach, schools and education, and environmental sustainability.

1,075

Total Port Energy Crew Volunteer Hours in 2019

Educational Opportunities

The Port of Corpus Christi works to prepare future emergency responders and management professionals via support for programs such as the Texas A&M University's National Spill Control School and the Del Mar College Emergency Management Program.

Supported by a \$25K donation from the Port of Corpus Christi, and led by Russell Pickering, Operations Manager and Chairman of the Maritime Advisory Committee, the Del Mar College Maritime Program provides U.S. Coast Guard mandated training, including:

- » Basic Fire Fighting
- » Personal Survival Techniques
- » Personal Safety & Social Responsibility
- » First Aid/CPR

New Pipeline Connections Mean More Opportunity for Texas

With a total new pipeline capacity of 2.7 million BPD from the Permian Basin and 400,000 BPD from Cushing to Corpus Christi, these connections will yield major opportunities for crude oil exports.

HAZARDOUS MATERIAL DISCLOSURE

Every purchaser, seller, landlord and/or tenant of any interest in real property ("Property") is notified that prior or current uses of the Property or adjacent properties may have resulted in hazardous or undesirable materials being located on the Property. These materials may not be visible or easily detected. Current or future laws may require removal or clean-up of areas containing these materials. In order to determine if hazardous or undesirable materials are present on the Property, expert inspections are necessary and removal or clean-up of these materials will require the services of experts. Real Estate Agents are not qualified experts.

If you are a seller or landlord, it is your responsibility to ensure that the transaction documents include disclosures and/or disclaimers that are appropriate for the transaction and the Property.

If you are a purchaser or tenant, it is your responsibility to ensure that the transaction documents include provisions to permit consultation with attorneys, environmental consultants and others to make prudent investigations, and further that such inspections are conducted.

ADA DISCLOSURE

In order to ensure that all business establishments are accessible to persons with a variety of disabilities, the Americans with Disabilities Act was enacted under federal law and there are also state and local laws that may require alterations to a Property in order to allow access. Texas has enacted the Architectural Barriers Removal Act to also accommodate persons with disabilities. Real Estate Agents are not qualified to advise you if the Property complies with these laws or what changes may be necessary. You should consult with attorneys, engineers and other experts to determine if the Property is in compliance with these laws.

FLOOD PLAIN INFORMATION DISCLOSURE

It is the sole responsibility of every purchaser, seller, landlord and/or tenant of any interest in Property to independently review the appropriate flood plain designation maps proposed and adopted by federal, state, and local resources including, but not limited to, the Federal Emergency Management Association ("FEMA") and the San Antonio River Authority ("SARA"), in order to determine the potential flood risk of their Property. Real Estate Agents are not qualified to assess and cannot warrant, guarantee, or make any representations about the flood risk of a particular piece of Property. All decisions made or actions taken or not taken by a purchaser, seller, landlord and/or tenant with respect to the flood risk of a particular piece of Property shall be the sole responsibility of such party.
